

More of You (MtW Theme Song)

Written by John Polite

Am **D7** **G**
 I thought all was well so I told myself
D7 **G** **C**
 Deep in my core, I still I wanted more
Am **D7** **G**
 Wanting to change but I stayed the same
D7 **G** **C7**
 'Till you called my name
Am **D7** **G**
 Here I am faced with the moment of truth
D7 **G** **C**
 How can I stand? I'm only a youth
Am **D7** **G**
 Time to find something outside of myself
D7 **G** **C7**
 I look to my help

Chorus

G **D7**
 I find more of you
Em **C**
 So much more than I knew
G
 Let the mountains fall
D7
 I forsake it all
Am **C**
 As long as I have you

G **D7**
 Give me more of your love
Em **C**
 Lord descend like the dove
G
 When all others leave
D7
 In you I'll believe
Am **C**
 My help's from above

Em **d7** **c7** **c**
 Give me more . . .

(cont.)

Am **D7** **G**
I lay down my burdens and leave them behind
D7 **G** **C**
Toss all my fears and doubts to the side
Am **D7** **G**
Though I may stumble and fall in the dark
D7 **G** **C7**
I press toward the mark

Am **D7** **G**
When I return to my family and friends
D7 **G** **C**
Will I endure, or will it all end?
Am **D7** **G**
Lord make this more than a moment in time
D7 **G** **C7**
Cause my light to shine

Chorus
G **D7**
Give me more, more of you
Em **C**
Change my old into new
G
Far beyond this hill
D7
I will do your will
Am **C**
Nothing else will do
